Abdeldayem Barakat

Angular FRONT- END DEVELOPER

📞+20 1099316632   🌐Portfolio   GitHub   LinkedIn   ✉abdeldayembarakatabd@gmail.com

Profile

Front-End Developer skilled in HTML5, CSS3, JavaScript, TypeScript, Angular, Bootstrap, and Tailwind CSS, with hands-on experience from training and projects, including building a complete E-commerce web application. Currently enhancing back-end skills in C#, SQL, LINQ, and Entity Framework to grow into a Full-Stack Developer. Experienced as an Instructor at Google Developer Student Clubs (GDSC), delivering workshops and mentoring students. Strong in problem-solving, teamwork, and continuous learning, aiming to contribute to scalable and innovative web solutions.

Skills

LANGUAGES: C#, HTML/HTML5, CSS/CSS3, JavaScript, TypeScript, SQL
FRAMEWORKS: .NET Core, LINQ, Entity Framework, Angular, Bootstrap, Tailwind, jQuery, SASS
Concepts: oop, data structure, algorithms
